SECTION 1.1 — PRODUCT IDENTIFICATION

PRODUCT NAME: GRAPESEED MASSAGE OIL

PRODUCT TYPE: Ready-to-Use Blended Massage & Body Oil

INTENDED USE: Topical massage oil — lightweight everyday body massage, facial massage, sports massage, all skin types including oily and acne-prone

GRAPESEED OIL NOTE: Grapeseed Oil (*Vitis vinifera*) is one of the lightest carrier oils available — it is virtually odourless, non-greasy, and exceptionally fast-absorbing, making it the preferred choice for professional massage. Rich in linoleic acid (65–75%) and OPCs (oligomeric proanthocyanidins), it is a byproduct of winemaking. Vitamin E is added to stabilise it as grapeseed oxidises faster than most carrier oils.

MOLECULAR FORMULA: NOT APPLICABLE (BLENDED PRODUCT)

BATCH No.: GSMO - 101
