Address: Opposite Sudhanshu Maharaj Ashram, Shiv Mandir, Nimbri, Panipat, Haryana 132104

## MATERIAL SAFETY DATA SHEET (MSDS)

### SECTION 1.1 — PRODUCT IDENTIFICATION

**PRODUCT NAME:** MOTHER'S BODY MASSAGE OIL

**PRODUCT TYPE:** Blended Body Massage Oil — Pregnancy-Safe Topical Formulation for Mothers

**BASE OILS:** Sweet Almond Oil (*Prunus dulcis*), Jojoba Oil (*Simmondsia chinensis*), Rosehip Seed Oil (*Rosa canina*), Coconut Oil (*Cocos nucifera*), Vitamin E Oil (Tocopherol)

**ESSENTIAL OIL BLEND:** Lavender Essential Oil (*Lavandula angustifolia*), Roman Chamomile Essential Oil (*Anthemis nobilis*), Mandarin Essential Oil (*Citrus reticulata*) — all pregnancy-safe at indicated dilution

**MOLECULAR FORMULA:** NOT APPLICABLE — Complex Blend

**CAS No.:** NOT APPLICABLE — Multi-component Blend

### SECTION 1.2 — COMPANY IDENTIFICATION

**Company Name:** RV International

**Address:** Shiv Mandir, Ujha Rd, Opposite Sudhanshu Aashram, Nimbri, Panipat, Haryana 132104

**Telephone:** +91 8937003005

**Email:** info@rvorganica.com

**Website:** www.rvorganica.com

### SECTION 2: COMPOSITION / INFORMATION ON INGREDIENTS

Name	CAS #	HAZARDOUS STATEMENT
MOTHER'S BODY MASSAGE OIL	N/A — Blend	Not a hazardous substance at normal cosmetic use levels. Mild eye irritant upon direct contact. Sensitizer potential from trace essential oil components.

**HAZARDOUS CLASSIFICATION:** NOT A HAZARDOUS SUBSTANCE AT NORMAL USE LEVELS.

\*FOR EXTERNAL TOPICAL USE ONLY — SPECIALLY FORMULATED FOR USE DURING PREGNANCY (AFTER FIRST TRIMESTER) & POST-NATAL CARE. ALWAYS CONSULT A HEALTHCARE PROFESSIONAL BEFORE USE DURING PREGNANCY.

### SECTION 3: HAZARD IDENTIFICATION

Mother's Body Massage Oil is a gentle, specially formulated blend using only pregnancy-safe botanicals at safe dilution levels. Not classified as a hazardous substance under normal conditions of use.

**Eye Contact:** May cause mild irritation if oil enters eyes. Not intended for use near the eye area.

**Skin Contact:** Formulated for gentle topical body use. Unlikely to cause irritation in most individuals. Patch test on inner arm before first use recommended, especially during pregnancy when skin sensitivity may be heightened.

**Inhalation:** Mild, gentle aromatic scent. Generally very well tolerated. If scent causes nausea (common in first trimester), discontinue use and ensure ventilation. Not recommended during first trimester.

**Ingestion:** NOT FOR INTERNAL USE. Rinse mouth and drink plenty of water. Seek medical attention if significant quantities ingested.

### SECTION 4: FIRST AID MEASURES

**Eyes:** Flush gently with clean water for 10–15 minutes. Seek medical attention if irritation persists.

**Skin:** If unexpected irritation or allergic reaction occurs, wash area with soap and water. Remove from skin. Seek medical attention if reaction persists.

**Ingestion:** FOR EXTERNAL USE ONLY. Rinse mouth with water. Seek immediate medical attention if significant quantities ingested. Do not induce vomiting.

**Inhalation:** Move to fresh air. Seek medical attention if any respiratory symptoms develop.

## SECTION 5: FIRE AND EXPLOSION DATA

**Flash Point:** >150°C (base carrier oils — not readily flammable at room temperature)

**Extinguishing Media:** Dry Chemical, Carbon Dioxide, Foam, Water Spray

**Unsuitable Media:** High pressure water jet on large spills

**Special Firefighting Procedures:** Self-contained breathing apparatus recommended for large fires. Toxic fumes may be released upon combustion.

**Unusual Fire & Explosion Hazards:** Not a significant fire hazard under normal storage and use conditions

**Hazardous Decomposition Materials:** CO, CO<sub>2</sub> and irritating organic vapours may form at very high temperatures

## SECTION 6: ACCIDENTAL RELEASE MEASURES

**Personal Protection:** Wear gloves — spilled oil creates slipping hazard. Eye protection for large spills.

**Methods for Cleaning Up:** Absorb with paper towels or inert absorbent material. Place in closed waste container. Wash area with warm water and soap. Prevent large quantities from entering drains.

## SECTION 7: HANDLING AND STORAGE

**Safe Handling:** For external body and skin use only. Avoid contact with eyes. Keep away from children. For use during pregnancy — only after first trimester and under guidance of healthcare professional. Patch test before first use. Keep away from open flames at elevated temperatures.

**Storage Requirements:** Store in a cool (below 25°C), dry, dark, well-ventilated place in original tightly sealed amber glass or aluminium container. Protect from direct sunlight and heat which accelerate rancidity of carrier oils, particularly rosehip oil. Shelf life: 24 months from manufacture. Refrigerate to extend life of rosehip oil component.

## SECTION 8: EXPOSURE CONTROL / PERSONAL PROTECTION

**Consumer Use:** Finished, ready-to-use cosmetic product. Use as directed on product label.

**Industrial Handling:** Wear nitrile gloves and safety glasses when handling bulk quantities.

**Respiratory:** Natural ventilation sufficient. Ensure room is well-ventilated during application — particularly important during pregnancy when scent sensitivity is heightened.

**Eye:** Avoid eye contact. Safety glasses for bulk industrial handling.

**Skin:** Formulated for skin contact at recommended use levels.

## SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

**Physical State:** Liquid, Oil

**Color:** Clear Pale Golden Yellow

**Odor:** Soft, Gentle, Calming — Light Lavender and Chamomile with Sweet Mandarin — Mild and Non-Overwhelming

**Vapor Pressure (mmHg.):** Negligible at room temperature

**Flash Point:** >150°C

**Boiling Point:** Not available

**Melting Point:** Liquid at room temperature

**Density @25°C:** 0.908

**Refractive Index @25°C:** 1.466

**Solubility in Water:** Practically insoluble in water; miscible with fixed oils and alcohols

**Viscosity:** Low to medium — flows freely at room temperature

## SECTION 10: STABILITY AND REACTIVITY

**Stability:** Stable under recommended storage conditions. Rosehip Seed Oil component is susceptible to oxidative rancidity — store in amber glass or aluminium, sealed and refrigerated if possible.

**Incompatibility:** Avoid contact with strong oxidizing agents. Prolonged heat and light exposure causes rancidity, particularly of rosehip oil fraction.

**Conditions to Avoid:** Direct sunlight, UV light, high temperatures and prolonged air exposure reduce shelf life and efficacy.

**Hazardous Decomposition:** CO, CO<sub>2</sub> and irritating organic compounds may form at very high temperatures during combustion.

**Hazardous Polymerization:** Will Not Occur

## SECTION 11: TOXICOLOGICAL INFORMATION

**SPECIAL NOTE — PREGNANCY USE:** This product is formulated with only pregnancy-safe essential oils (Lavender, Roman Chamomile, Mandarin) at safe dilution levels. It is **NOT** recommended during the **FIRST TRIMESTER**. Always consult a qualified healthcare professional or certified aromatherapist before use during pregnancy.

**Irritancy:** Minimal — formulated to be exceptionally gentle. Not expected to cause skin irritation at normal use levels.

**Sensitization:** Very low sensitization potential. Linalool (from lavender) is an EU-listed allergen — patch test before use, especially as skin sensitivity increases during pregnancy.

**Health Hazards:** External use at recommended levels: Excellent safety profile for use after first trimester of pregnancy and post-natally. Formulated without uterine-stimulant essential oils (no clary sage, no rosemary, no basil, no juniper berry, no thyme). All components selected for maternal safety.

**Post-Natal Use:** Suitable for post-natal body massage and stretch mark care. Avoid applying to nipple area if breastfeeding.

**Harmful Contact:** Not a significant irritant at normal use levels

**Eye Contact:** Mild irritant — not intended for use near eyes

## SECTION 12: ECOLOGICAL INFORMATION

**Toxicity:** Not expected to be harmful to aquatic life at normal use concentrations.

**Persistence:** All components are biodegradable under aerobic conditions.

**Bioaccumulation:** Low potential for bioaccumulation.

## SECTION 13: DISPOSAL CONSIDERATION

**Waste Disposal Methods:** Dispose of according to local regulations. Small quantities may be disposed of with household waste. Do not pour large quantities down drains.

## SECTION 14: OTHER REGULATORY INFORMATION

**Product Category:** Cosmetic Product — Body Massage Oil (Pregnancy & Post-Natal Care)

**Regulatory Status:** All ingredients are approved cosmetic ingredients per EU Cosmetics Regulation No. 1223/2009 and applicable Indian cosmetic regulations.

**Pregnancy Safety:** Formulated without known uterotonic or contraindicated essential oils. Suitable for use after the first trimester under healthcare professional guidance.

**EU Cosmetics Regulation:** Linalool (from Lavender EO) is an EU-listed allergen — declare on finished product label above threshold (0.001% leave-on) per EU Regulation No. 1223/2009.

**Safety Phrases:** For external use only. Not recommended during first trimester of pregnancy — consult healthcare professional before use. Avoid eye area. Patch test before first use. Keep out of reach of children. Avoid nipple area if breastfeeding. If irritation occurs, discontinue use.

**IFRA Compliance:** Essential oil components formulated within IFRA leave-on body care guidelines.

**REACH:** Compliant with EU REACH Regulation (EC) No. 1907/2006.
