Address: Opposite Sudhanshu Maharaj Ashram, Shiv Mandir, Nimbri, Panipat, Haryana 132104

MATERIAL SAFETY DATA SHEET (MSDS)

SECTION 1.1 — PRODUCT IDENTIFICATION

PRODUCT NAME: PEPPERMINT MASSAGE OIL

PRODUCT TYPE: Ready-to-Use Blended Massage & Body Oil

INTENDED USE: Topical massage oil — cooling, muscle relief, headache & tension relief, invigorating body massage

MOLECULAR FORMULA: NOT APPLICABLE (BLENDED PRODUCT)

MOLECULAR WEIGHT: NOT APPLICABLE

BATCH No.: PMMO - 101

SECTION 1.2 — COMPANY IDENTIFICATION

Company Name: RV International

Address: Shiv Mandir, Ujha Rd, Opposite Sudhanshu Aashram, Nimbri, Panipat, Haryana 132104

Telephone: +91 8937003005

Email: info@rvorganica.com

Website: www.rvorganica.com

SECTION 2: COMPOSITION / INFORMATION ON INGREDIENTS

Ingredient	Approx. %	Role
Sweet Almond Oil (Prunus amygdalus dulcis)	55%	Primary carrier — silky, emollient skin feel
Coconut Oil (Cocos nucifera) — Fractionated	25%	Light, fast-absorbing, non-greasy carrier
Peppermint EO (Mentha piperita)	15%	Cooling, analgesic, invigorating signature note
Spearmint EO (Mentha spicata)	2%	Sweet mint complement, softer than peppermint
Vitamin E (Tocopherol)	3%	Antioxidant / skin nourishment

HAZARDOUS CLASSIFICATION: NOT A HAZARDOUS SUBSTANCE OR MIXTURE.

Peppermint Massage Oil is a ready-to-use, pre-diluted blended massage oil formulated for direct topical application. Peppermint essential oil at 15% delivers a therapeutically meaningful cooling and analgesic effect via menthol — one of nature's most effective topical analgesic compounds. Fractionated Coconut Oil provides a very light, fast-absorbing base. Spearmint complements with a softer, sweeter mint note. All components are IFRA compliant.

SECTION 3: HAZARD IDENTIFICATION

Peppermint Massage Oil is considered low-to-moderate hazard under normal use — the menthol content requires specific safety awareness.

Eye Contact: STRONG irritant — menthol causes intense stinging in eyes; avoid ALL direct contact with eyes

GST NO. 06BGIPG9360E1ZF

Address: Opposite Sudhanshu Maharaj Ashram, Shiv Mandir, Nimbri, Panipat, Haryana 132104

Skin Contact: Cooling/burning sensation is normal — the menthol provides the therapeutic cooling effect; avoid mucous membranes

Inhalation: Intensely minty vapors — do not use in confined spaces near infants; may cause temporary nasal sensitivity

Ingestion: NOT FOR INTERNAL USE. Keep away from children — menthol can cause respiratory distress in young children.

SECTION 4: FIRST AID MEASURES

Eyes: Flush IMMEDIATELY with large amounts of water for at least 15 minutes — menthol causes intense stinging. Get immediate medical attention.

Skin: If uncomfortable burning sensation: wash with soap and water. Do NOT apply ice — cooling effect is from menthol, not temperature. Seek medical attention if reaction is severe.

Ingestion: Rinse mouth and drink water to dilute. Seek medical attention if large quantities ingested.

Inhalation: Remove to fresh air if vapour causes discomfort. Seek medical attention if respiratory symptoms develop in children.

SECTION 5: FIRE AND EXPLOSION DATA

Flash Point (Method Used): >182°C Close Cup (carrier oil-dominated blend — very high flash point)

Extinguishing Media: Dry Chemical, Carbon Dioxide, Foam

Unsuitable Media: Water (except to cool containers)

Special Firefighting Procedures: Fire fighters should wear positive pressure self-contained breathing apparatus. Cool containers exposed to flame with water.

Unusual Fire & Explosion Hazards: None under normal conditions — very high flash point

Hazardous Decomposition Materials: None

SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal Protection: Avoid eye and mucous membrane contact. Wear eye protection. Note: oily spills may create slip hazard.

Methods for Cleaning Up: Wipe up with absorbent rags. Wash area with warm soap and water. Note: menthol vapors may be noticeable during clean-up.

- Small spills: absorb with paper towels; clean with warm soapy water
- Large spills: contain and absorb; clean with warm soap and water; ventilate area

SECTION 7: HANDLING AND STORAGE

Safe Handling: For external topical massage use only. Strictly avoid contact with eyes, mucous membranes, and open wounds. Keep away from face of infants and young children. Conduct a patch test before first use. Not for internal consumption.

Storage Requirements: Store in a cool, dark, dry place away from heat and direct sunlight. Keep tightly sealed. Temperature below 25°C.

SECTION 8: EXPOSURE CONTROL / PERSONAL PROTECTION

Threshold Limit Value: Not established — ready-to-use cosmetic product

Work Practice Controls: Standard cosmetic personal hygiene applies.

- For external use only — do not ingest
- Keep STRICTLY away from eyes — menthol causes intense stinging
- Keep away from mucous membranes and open wounds

- Do NOT apply near face of infants and children under 10

Respiratory: Normal ventilation adequate; avoid use in very confined spaces with infants

Ventilation: Normal room ventilation is sufficient for adults

Eye: STRICTLY avoid eye contact — flush immediately if contact occurs

Skin: Ready-to-use — suitable for direct adult application; patch test recommended; avoid mucous membranes

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid, Oil — light, fast-absorbing massage consistency

Color: Clear Pale Golden

Odor: Characteristic cool, minty, fresh, intensely invigorating peppermint scent

Vapor Pressure (mmHg.): Not available

Flash Point: >182°C (Closed Cup) — high flash point

Boiling Point: Not available

Melting Point: Fractionated coconut oil remains liquid at room temperature — no solidification concern

Density @25°C: 0.908

Refractive Index @25°C: 1.466

Solubility in Water: Insoluble — oil-based formulation

SECTION 10: STABILITY AND REACTIVITY

Stability: Stable under normal storage conditions

Incompatibility (Materials to Avoid): Avoid contact with strong oxidizing agents and hot sources of ignition.

Conditions to Avoid: Avoid contact with sparks, flame, heat, and prolonged light exposure.

Hazardous Decomposition By-products: None under normal conditions.

Hazardous Polymerization: Will Not Occur

SECTION 11: TOXICOLOGICAL INFORMATION

IMPORTANT SAFETY NOTES: Peppermint Massage Oil contains significant menthol. Strict precautions regarding children, eyes, and mucous membranes are essential.

Menthol Note: Menthol (primary active in peppermint) creates a powerful cooling/analgesic effect — this is the intended therapeutic action; however, it can cause respiratory distress in infants and young children

Irritancy: Low on skin; STRONG eye and mucous membrane irritant

Sensitization: May sensitize in susceptible individuals; patch test recommended

CHILDREN WARNING: Do NOT apply near face, neck, or chest of infants and children under 10 — menthol and 1,8-cineole can cause respiratory distress, apnoea, and cold sensation-induced airway reflex in children

Nut Allergy Note: Contains Sweet Almond Oil — individuals with tree nut allergies should consult a doctor

Pregnancy Note: Avoid during first trimester; consult doctor for second/third trimester use

GERD/Reflux Note: Application near the chest/upper abdomen may cause discomfort in individuals with GERD/acid reflux due to menthol

Note: Patch test before first use. Not for internal use. NEVER apply near face, neck, or chest of infants and children under 10. Keep away from all mucous membranes and eyes.

SECTION 12: ECOLOGICAL INFORMATION

Toxicity: Natural plant-derived oils — biodegradable; low environmental impact under normal use.

SECTION 13: DISPOSAL CONSIDERATION

Waste Disposal Methods: Dispose of according to local regulations. Do not pour large quantities down drains.

SECTION 14: OTHER REGULATORY INFORMATION

Product Type: Ready-to-use blended cosmetic massage oil — IFRA compliant

Nut Allergy Warning: Contains Sweet Almond Oil — consult doctor if tree nut allergic

Children Warning: Do NOT apply near face/neck/chest of infants and children under 10 — menthol respiratory risk

Eye Warning: Menthol causes INTENSE eye stinging — avoid all eye contact

Blends With: Lavender, Eucalyptus, Rosemary, Tea Tree, Camphor, Wintergreen, Lemon, Spearmint, Frankincense

Safety Phrases: External use only. Patch test before first use. STRICTLY avoid eyes. Do NOT apply near face of children under 10. Tree nut allergy caution. Not during first trimester of pregnancy.

SECTION 16: ADDITIONAL INFORMATION

This information is provided for documentation purposes only.

The information contained in this Material Safety Data Sheet is obtained from current and reliable sources. The information contained herein is true and to the best of RV International's knowledge. Nothing herein should be interpreted as a recommendation to infringe existing patents or violate any laws or regulations.
