MATERIAL SAFETY DATA SHEET (MSDS)

SECTION 1.1 — PRODUCT IDENTIFICATION

PRODUCT NAME: TULSI FRAGRANCE OIL

BOTANICAL NAME: Ocimum tenuiflorum (Tulsi / Holy Basil), Ocimum basilicum (Sweet Basil), Mentha spicata (Spearmint) (Inspired Blend)

MOLECULAR FORMULA: NOT APPLICABLE (PROPRIETARY BLEND)

MOLECULAR WEIGHT: NOT APPLICABLE

CAS No.: PROPRIETARY BLEND

IFRA COMPLIANT: YES

SECTION 1.2 — COMPANY IDENTIFICATION

Company Name: RV International

Address: Shiv Mandir, Ujha Rd, Opposite Sudhanshu Aashram, Nimbri, Panipat, Haryana 132104

Telephone: +91 8937003005

Email: info@rvorganica.com

Website: www.rvorganica.com

SECTION 2: COMPOSITION / INFORMATION ON INGREDIENTS

Name	CAS #	HAZARDOUS STATEMENT
TULSI FRAGRANCE OIL	PROPRIETARY BLEND	Not a hazardous substance

HAZARDOUS CLASSIFICATION: NOT A HAZARDOUS SUBSTANCE OR MIXTURE.

*PERSONAL CARE, COSMETIC & AROMATHERAPY PURPOSE. Composition contains synthetic aroma chemicals and/or nature-identical ingredients blended to recreate the fresh, sacred, herbal-clove fragrance of Tulsi (Ocimum tenuiflorum / Holy Basil) — one of the most revered herbs in Indian Ayurvedic tradition and Hinduism, considered the "Queen of Herbs." A crisp, green-herbal accord dominated by the characteristic eugenol-clove note of Tulsi with sweet basil freshness, spearmint brightness, and a clean herbal dry-down. Purifying, uplifting, and deeply sattvic — evoking the sacred atmosphere of Indian households and temples. Does NOT contain actual Tulsi essential oil or any controlled substances.

SECTION 3: HAZARD IDENTIFICATION

The toxicological properties of this material have not been fully investigated.

Eye Contact: Irritation will occur with possible damage

Skin Contact: May cause irritation upon prolonged exposure. Contains eugenol-type (clove-basil characteristic) aroma chemicals — known potential sensitizers. Patch test before first skin application. Never apply undiluted. Lower flash point — handle with extra care.

Inhalation: If inhalation causes irritation, supply fresh air. Fresh, herbal-clove fragrance at normal use levels; avoid concentrated inhalation. Do NOT apply near the face of infants or children under 10 years.

Ingestion: Rinse out mouth and drink plenty of water. NOT FOR INTERNAL USE.

SECTION 4: FIRST AID MEASURES

RV INTERNATIONAL

Pure Essentials, Naturally Crafted

GST NO: 06BGIPG9360E1ZF

Opp. Sudhanshu Maharaj Ashram, Shiv Mandir, Nimbri, Panipat, Haryana 132104

Eyes: Flush with plenty of water or eyewash solution for 15 minutes. Get immediate medical attention.

Skin: Remove contaminated clothing immediately. Wash skin thoroughly with soap and flush with plenty of water. If burning sensation or allergic reaction develops, seek medical attention promptly.

Ingestion: Administer water or milk to dilute. Seek medical attention immediately or call a poison control center.

Inhalation: Avoid gross inhalation of fumes. Remove to fresh air and seek medical attention if needed.

SECTION 5: FIRE AND EXPLOSION DATA

Flash Point (Method Used): >60°C Closed Cup — lower than most fragrance oils; handle with extra care

Extinguishing Media: Dry Chemical, Carbon Dioxide, Foam

Unsuitable Media: Water (except to cool containers)

Special Firefighting Procedures: Fire fighters should wear positive pressure self-contained breathing apparatus. Toxic vapors may be released. Cool containers exposed to flame with water.

Unusual Fire & Explosion Hazards: Flash point is lower than many fragrance oils — keep well away from all heat and ignition sources

Hazardous Decomposition Materials: None under normal conditions

SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal Protection: Avoid ingestion. Follow good industrial hygiene practices. Wear eye protection, chemical-resistant gloves and aprons. Ventilate area immediately. Eliminate ALL ignition sources — lower flash point.

Methods for Cleaning Up: Eliminate all sources of ignition immediately. Ventilate area thoroughly. Prevent liquid from entering sewers.

- Small spills: wipe up with paper rags (place in closed metal waste container)
- Large spills: absorb onto non-flammable absorbent. Wash area with soap and water.

SECTION 7: HANDLING AND STORAGE

Safe Handling: Avoid ingestion. Follow good industrial hygiene practices. Wear eye protection, chemical-resistant gloves and aprons. Ventilate area well. Keep well away from all heat, sparks, and open flames — lower flash point than most fragrance oils.

Storage Requirements: Store in an area that is cool, dry, and well-ventilated. Do not expose to temperatures over 25°C. Keep well away from direct sunlight and heat sources. Keep tightly sealed.

SECTION 8: EXPOSURE CONTROL / PERSONAL PROTECTION

Threshold Limit Value: Not established

Work Practice Controls: Personal hygiene is an important work practice exposure control measure.

- Do not store, use, and/or consume foods, beverages, tobacco products, or cosmetics in areas where this material is stored.
- Wash hands and face carefully before eating, drinking, using tobacco, applying cosmetics, or using the toilet.
- Wash exposed skin promptly to remove accidental splashes — eugenol-type components may cause delayed irritation.

Respiratory: Avoid casual breathing of vapors — contains eugenol-type herbal-clove components

Ventilation: Local, mechanical exhaust strongly recommended

Eye: Wear safety glasses or chemical splash goggles

Skin: Wear chemical resistant gloves; avoid undiluted skin contact

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid, Oil

Color: Colorless to Pale Yellow

Odor: Characteristic fresh, sacred, herbal-clove Tulsi (Holy Basil) accord — crisp green basil freshness, characteristic eugenol-clove note of Tulsi, spearmint brightness, and a clean herbal dry-down; purifying, uplifting, and deeply sattvic

Vapor Pressure (mmHg.): Not available

Flash Point: >60°C (Closed Cup) — Handle with extra care

Boiling Point: Not available

Melting Point: NA

Density @25°C: 0.904

Refractive Index @25°C: 1.470

Solubility in Water: Partially soluble; fully soluble in alcohol and mineral oil

SECTION 10: STABILITY AND REACTIVITY

Stability: This material is stable under normal conditions

Incompatibility (Materials to Avoid): Avoid contact with strong oxidizing agents. Keep well away from all ignition sources — lower flash point.

Conditions to Avoid: Avoid heat, flame, sparks, and direct sunlight. Lower flash point requires extra vigilance around heat sources.

Hazardous Decomposition By-products: Smoke and unidentified organic compounds may be formed during combustion.

Hazardous Polymerization: Will Not Occur

SECTION 11: TOXICOLOGICAL INFORMATION

CAUTION: Liquid is irritating to eyes and skin. **NOT FOR INTERNAL USE.** Contains eugenol-type (clove-Tulsi characteristic) aroma chemicals — known potential sensitizers. **NEVER** apply undiluted. Patch test mandatory before first skin application. Do NOT apply near the face of infants or children under 10 years. Lower flash point — handle with extra care around heat and ignition sources.

Irritancy: Causes skin irritation upon prolonged or undiluted contact — eugenol-type components are known skin irritants at high concentrations

Sensitization: May cause allergic skin reaction; eugenol-type aroma chemicals are known potential sensitizers — always dilute thoroughly and patch test before skin use; individuals with known clove or eugenol sensitivity should avoid

Children Advisory: Do NOT apply near face, chest, or nose of infants or children under 10 years

Health Hazards (Acute & Chronic): Ingestion: Harmful — this product is not intended for consumption

Harmful Contact: Irritant; potential sensitizer

Eye Contact: Irritant

Note: Fragrance oils contain synthetic aroma chemicals. ALWAYS dilute thoroughly before skin application. Mandatory patch test before use. This product does NOT contain actual Tulsi EO or any controlled substances.

SECTION 12: ECOLOGICAL INFORMATION

Toxicity: Toxic to aquatic life with long lasting effects.

SECTION 13: DISPOSAL CONSIDERATION

Waste Disposal Methods: Dispose of according to local, state and federal regulations. Do not pour down drains.

SECTION 14: OTHER REGULATORY INFORMATION

IFRA Status: Compliant with IFRA guidelines for fragrance ingredients

Flash Point Advisory: Lower flash point (>60°C) — handle with extra caution around heat and ignition sources

Children Advisory: Do NOT apply near face of children under 10 years — contains eugenol-type components

Controlled Substance Status: This product does NOT contain actual Tulsi EO or any controlled substances

Hazards: Irritant; Potential skin sensitiser; Lower flash point

Risk Phrases: Irritating to eyes and skin. May cause sensitization by skin contact — eugenol-type components are known sensitisers. Never apply undiluted. Lower flash point — keep away from ignition sources. Toxic to aquatic organisms.

Safety Phrases: Avoid contact with eyes and skin. Rinse eyes immediately with water if contact occurs. Always dilute before use. Patch test mandatory. Do not apply near face of children under 10. Keep away from heat and ignition sources. Keep out of reach of children. Not for internal consumption.

SECTION 16: ADDITIONAL INFORMATION

This information is provided for documentation purposes only.

The information contained in this Material Safety Data Sheet is obtained from current and reliable sources. The information contained herein is true and to the best of RV International's knowledge. Nothing herein should be interpreted as a recommendation to infringe existing patents or violate any laws or regulations.
